Today was the first time I was able to discuss this Notification with the supervisor for the national stage area with PCT Operations. Evidently, the Notification had been previously mailed on 19 October 2001, as indicated on the form. There is still time left to respond with a fee for extension, or you may file a petition to demonstrate non-receipt of the Notification. If you have any further questions, you may contact me at (703) 308-3984.
